**TESTIMONY 1 – Confidence & Clarity**

**“I stopped second-guessing everything I heard.”**

Before the training, I always felt like I *might* hear God — but I never trusted it. I would get impressions and immediately talk myself out of them.

During the Zoom prophetic intensive, the structured practice helped me recognize how God speaks to me personally. The teaching changed everything. I learned the difference between emotion and the Holy Spirit's prompting.

### **Since completing the training, I've:**

- Shared words confidently in my small group
- Prayed with boldness instead of fear
- Stopped overthinking every impression

The biggest value? I now operate from peace, not pressure.

— *Daniel M., 27*

1. Has God given you a prophetic call in your life?
2. Three key ingredients for unlocking the prophet's mantle.
3. It's not about hype – it's about alignment, activation, and obedience.
4. Many believers feel a genuine prophetic stirring but lack:
  - Spiritual alignment – Confusion instead of clarity
  - Biblical grounding – Passion without recognition
  - Apostolic covering and order – Gifting without alignment

**Without these, prophetic gifting can become frustrated, misdirected, or even harmful.**

**“The spirits of the prophets are subject to the prophets.” – 1 Corinthians 14:32**

This training is designed to help you walk **safely, scripturally, and effectively** in your calling.

- True prophetic authority increases under **order, submission, and accountability.**
- This training anchors the prophetic within **Kingdom structure**, not independence.
- **Gifting opens doors—but Character keeps them open.**
- We emphasize integrity, humility, teachability, and love so the mantle is
- sustained over time.

## **TESTIMONY 2 – Character & Maturity**

**“It grounded my gifting in Scripture.”**

I had prophetic experiences before, but I didn’t understand accountability or biblical boundaries.

The training emphasized Scripture first (especially how prophecy is meant to strengthen and encourage, like in 1 Corinthians 14). That foundation changed how I function.

## What added value for me:

- Learning how to test what I hear
- Removing pride from the process
- Submitting words to leadership when in a public setting with a church

Now I don't feel like I need to prove anything. I just want to build people up.

It matured me spiritually.

— Sarah L., 24
